11/14/2018

The Architectural Control Committee (ACC) has approved a much improved and less expensive mailbox option. The current mailbox has been discontinued and is nearly impossible to repair. The new, approved, box listed below has replacement parts available and is \$329.00. Please see the end of this note for maintenance notes on your current mailbox.

New Approved Mailbox

There are several types of mailboxes listed on the website below, but only ONE type/color has been approved. The direct link to the Classic Better Box Mailbox with Side Flag installed is: <u>https://betterboxmailboxes.com/mailbox/better-box-mailbox-blackdecorative-cast-aluminum-classic-residential-curbside-highguality-upscale-mailboxes</u>

You will need to order numbers from the Accessories page: <u>https://betterboxmailboxes.com/mailboxes/our-accessories/</u> <u>brass-mailbox-numbers</u>

Please instruct your installer to use the SLIDE FLAG option.

Description: Black, Decorative Cast Aluminum, Classic, Residential, Curbside, High Quality, Upscale Mailbox

Existing Mailbox Maintenance

Please take a moment to evaluate your current mailbox. If it has faded dramatically, the approved paint color is MATTE BLACK. If you have parts missing or temporary repairs, please consider updating to the new box listed above.

If you have any questions, please email acc@remingtonpark.org
