Also, please take note January weather is going to hit with passion starting next week. Please be sure your pools are ready for below freezing temps (over 24 hours in duration), you unhook your hoses and please take care of your pets! Drive, walk, run and ride safely! This, too, shall pass and we'll be springing into spring in no time.

This is a Publication of Remington Park, where we have 4 seasons in 24 hours...
