NCL (National Charity League) Holiday Canned Food Drive to Benefit GRACE

Sunday, November 10

It's that time of year again and some of our wonderful homeowners (and National Charity League members) will be conducting a holiday canned food drive to benefit GRACE. On Sunday, November 10th (Yellowstone Premier night, ya'll), paper sacks along with a list of preferred items will be distributed to residents' front porches. The NCL class will collect the bags on Sunday, November 17th and transport them to GRACE. If you participate, we thank you in advance for your kind gifts. If you prefer not to participate, no sweat, either leave the bag on your porch and they will pick them up or you may dispose of it. Thank you again for your consideration and generosity this holiday season.

Holiday Lighting Reminder

- Lights may be installed starting in late October/early November to accommodate professional installation company scheduling
- **Lights may be turned on no earlier than one week before Thanksgiving and must be turned off one week after New Year's Day**
- Lights must be removed by Jan. 31, following the Christmas holiday.

Another RP Garage Sale is in the Books!

Perhaps history books! Thanks again to our sponsor and overall project manager, Audrey Hall, for organizing and leading this Community Garage Sale yet again! We sincerely appreciate all of the time, promotion and organization Audrey brings to the event! Stay tuned for the next one in the spring! We hope everyone enjoyed tremendous success, earnings and a little purging.

And, Speaking of Garages...

Please take a look at your garages. Is the paint wearing out, spotting, getting old? Perhaps it is time for a spruce up. A few garages in our neighborhood are showing a lot of wear and tear and must have a consistent paint color in accordance with the approved home paint. This is something else our new Board of Directors and ARA Committee will be reviewing in drive by's.

Like Us, Join Us! Facebook is the place

Most of you already enjoy our private FB page. Thank you for always keeping your posts insightful, inquisitive and enjoyable. We police the membership fiercely and with over 100 requests per week to join, we are very apprehensive about new members. Having said that, if one of your neighbors is having a challenge accessing membership, drop us a line, let us know! And, please be sure they are on the RP website as well! It's the only way we can confirm their residence and they will receive these entertaining monthly missives plus other items of great importance.

Let's Close This Out With A Smile

As the holiday season approaches, we wish you a happy and healthy holiday, no matter which ones you celebrate. Take a deep breath (don't feel the need to boil the ocean at once) and enjoy the small things whether it's a cool fall breeze, the change of the leaves or maybe just some laughs with your neighbors. See you on the trails and sidewalks...don't forget to WAVE~
